# WINE AND SPIRITS

Printed October 8.th, 2018

## WINE

At MASH Aarhus we strive to have the best selection in town. Our list is progressive.

We follow the young & upcoming but also have space for the classics of the main regions. We strive to present a selection where any guest will be tempted. A list that offers high quality, value and breath at all price levels!

American wine has a special place in our selection as well as in our hearts. We feature an impressive selection of American wine in all styles and prices. The wines from the United States are today broader in styles and new areas are conquered. Have you ever tried a cool Pinot Noir from the states?

We regularly update the list, but we buy very small parcels of wine occasionally, which is why some bottles might not be available although listed here. The wine list is moving parallel with our experience and taste. Comments are more than welcome – we always welcome your input.

We enjoy to move our guest from the safe choice to a more adventures one, to open new horizons – we are able to surprize even the experienced wine lovers.

## SPIRITS

Alcoholic beverages have been enjoyed for a long time. Alcohol in its many forms has been part of Mayan rituals, crossed the seas in sailors tummy's, gently analyzed in a taster glass and poured down right before the charge followed by a war cry! In cultures around the world including MASH Bar culture, this liquid treasure is embedded.

We at MASH have acquired a broad selection of American Whiskey and spirits. Our competent staff will guide anyone who would like to venture into this wonderful experience. New flavors and aromas will sneak up on you and leave you in wonder.

Never have we been so fortunate regarding the range of spirits available.

American whiskey has had its difficult and glorified times, from the early days where it was all about rye whiskey, throughout prohibition where whiskey was scarce and local hooch and smuggled rum dominated the vast country until today. The comparable few distilleries, who survived have now through, hardship, care and patience crafted what is now in your glass. Be it a cocktail, a flight or a taste of our rare and unobtainable servings.

We are in a constant learning phase, improving our selves comes naturally for passionate bartenders. When you take a sip of your cocktail, know the time and pride put into it. We do homemade ingredients because we love to play around with flavors. We do the same cocktail ten times in a row with small tweaks here and there to come to the ultimate recipe.
