**Dear Wine Lover,**

At first glance, MASH might seem like a restaurant where the food is all-important. And we do take our steaks *very* seriously. But at heart, we are wine lovers of the highest order. Also, over the years we have found that the steak house is the perfect setting to enjoy a good bottle. The food is not overly complicated, the atmosphere is friendly and the conversation eye-to-eye.

In our wine list, we strive to present good options for everyone's palate (and wallet). With that said, we aspire to have the best selection of American wines outside of the States. We also believe that great wine was meant to be drunk and shared amongst friends, not set to collect dust and nostalgic glances in some sad trophy cellar. This means that we do our best to keep prices affordable.

Please do not hesitate to ask one of our sommeliers to guide you through the selection or answer any questions or suggestions you might have.

**Skål!**
